

HERE FOR YOU *Always*

In a rapidly changing world, the Westerville Public Library leaps off the page! Existing services like curbside pickup have evolved, and new resources have emerged that we just can't do without!

While an in-person visit to the building is an irreplaceable experience, the library can meet you where you're at. The library helps you keep little minds busy with Dial-A-Book, check out the latest audiobooks on Hoopla, and learn a new language with Mango - all from your mobile device! Popular new services like monthly subscription bundles for kids make getting books on-the-go easy!

And when you need support, the library's here to help: pick up a free COVID-19 take-home test from the drive-up window, borrow a mobile hotspot, or enjoy enhanced internet access from our parking lots and front lawn. As the pandemic continues to impact our community, you're invited to pull up an adirondack chair, plug into their super-fast wi-fi, and continue to stay connected to the Westerville Public Library.

Whether you're making a stop at the drive-thru window from the wheel of your car, or popping in on a virtual Storytime from the comforts of home - the library is here for you, always.

Read on to see how the Westerville Library Foundation supports your library and how you can help.

WESTERVILLE LIBRARY FOUNDATION

Supporting the Library

Established in 1984, the mission of the Westerville Library Foundation (WLF) is to secure the future of the Westerville Public Library. Governed by a volunteer board of local citizens, WLF is an independent, 501(c)3 nonprofit organization.

With seed money from WLF, the library launched the **1,000 Books Before Kindergarten** program in April 2021 - so far, 44,157 books have been read by 330 local children! When you donate to WLF, you ensure that programs like this continue to inspire the youngest members of our community.

Thanks to generous donors like you, WLF recently funded the **Story Trail at Johnston-McVay Park** - and because of your support, our entire community is invited to enjoy the fresh air, a stroll, and a story! This literacy adventure is a hit with the young readers and their family alike.

"Holy hammocks! We love the Storybook Trail here [at Johnston-McVay Park]. They change them frequently and my 7 year old loves reading the story..."

- @cbus4kids, <https://www.instagram.com/p/CR2PfbY15nQ/>

"...We took our 5 year old grandson to the park to do the new story trail. We are helping him... with virtual Kindergarten and used this as a "field trip". He really enjoyed running from station to station to hear the next part of the story...opportunities to engage his imagination. So Bravo! to the library staff for this feature. I'm grateful for our awesome library and book club!"

- Dodie, Story Trail enthusiast

SUPPORT THE LIBRARY

The Westerville Library Foundation Board invites you to ensure the long-term financial stability of this vital institution by contributing to the Westerville Library Foundation's 2021 "Here for You" Campaign! The library's had your back - return the love with an end-of-the-year financial contribution!
